1. I am doing a new thing, through my "wife", not! -- I am doing it through -- ME! And it's not that she never knows it me, again -- for I AM ME and unafraid of me, I come unto new things -- it! That I do now are -- many new peoples with, in new places -- and regimes not me, not; but regimes, I am not -- but de-regime'ing all I am now to be without regime's "standards of joy" -- for I will be the joy now!

2. Joy SCHOOL opens as never imagined (1). As never imagines, not; but "my three sisters", not; but my ENDLESS SUPPLY of BLESSING now will be to all schoolers now that come into me to be me unafraid of me you them or anything else that they may "have heard" -- or experienced me not in the past - but vicariously wondering many things. And not knowing me, not; now I shall be me with all who come unto me and be unafraid.

3. Be not afraid of these words and what I am saying teaching. And loaning you "a loner", not; but what am I giving thee? A brand new peoples places and tongues of only me that speak ONE LANGUAGE of the holy that begins begets the holy now I am - the reproducer of me perfectly in all who will say see and sign my words that are them their words being mine.

4. Conclusively not, but this is Theodore Cottingham coming to you this 21st day of November, 2008 at 12:50 PM as I drive the red van over to my mom's. For a bite of lunch, not; or do I -- eat ever again? Of the me notme remarks, I don't, ever eat of that stuff again. But I know who I am -- and I am clean GENED and I know what my reproducers affect and the effect my reproducers have of me who reproduce me and produce me properly and correctly - and worrying not about a thing of anyone's lands mine -- for ALL shall be mine in ME SCHOOL (1). Regardlessly chosen, not; but specifically chosen (1) within intent specified for a one to ACHIEVE my holiness and be limitless in me the unboundary'd one; of fool's land no more dictating a thing to me ever.

5. I love you all. I give you a New Day! In horror-land not, but what am I coming into now? The new land, not frozen with standards a notme of.

6. I love you and I give you new "trucking systems", not; but I give you a **Great Deal** of

great things, great joy - unspeakable and full of glory. Shall we look up, look that up, now; and looking up now? Our "face" changes not -- or DOES it? And what else changes? Our body does -- completely so! For I walk through walls; not at "my will", for I have none, of that stuff again.

7. I have no will apart from my father, for I have become him who he is, and he is not separate from me - and never was. I know that now.

8. I know A **Great Deal** of things now. In these words have been revealed to me a **Great Deal**, a great many things now that revitalize refresh renew and re-hydrate my body to be one with me, never swollen in fear's pride's of blessing of that mess again.

9. Looking up "hydrate, hydration, hydrating" shall we? And being the greatest of the greats -- now the all of you who me one are, and I love you all to be. Purple not, but burple -- did you ever look up that one? Burpling not, but burple one and purple one, not; but all a new thing I do in you with you in new places -- foreign not, and foreign -- mightily so I speak the word of my mouth forever one. Never capping me, never capping MY mouth hair or head in "your style" again.

10. I love you, my "stylish" one, ones, who are "my style", my style of my me coming forth, unabounded blessing and forever one in the holiness fullness completeness of I am, in love with you all. Amen.

11. Theodore Cottingham in big red 12:57 PM.
